Hiring Committee

Associated Students, Incorporated

Cal State LA

5154 State University Drive

Los Angeles, CA 90032

Dear Hiring Committee,

I am writing to express my interest in the Web Designer/Technician position with Associated Students, Incorporated at Cal State LA. As a current Computer Science major with an interest in web design and development, I am excited about the possibility to gain firsthand experience.

Through my coursework and personal projects, I have gained a solid foundation in front-end web development, including experience with HTML, CSS, and JavaScript.

Beyond technical skills, I am passionate about creating user-friendly, accessible, and visually appealing digital experiences. I appreciate ASI's commitment to advocating for students and fostering campus engagement, and I would be proud to support that mission by contributing to ASI's online presence and digital resources.

I would welcome the opportunity to further discuss how my skills and interests align with the needs of your team. Thank you for considering my application. I look forward to the possibility of contributing to ASI's important work.

Warm regards,

**Miguel Gonzalez**
